The sums remitted to the board under this Code section shall be used for the purposes provided in this chapter.

#### ARTICLE 5

47-25-80.

In order for a member to be eligible to receive retirement benefits under this chapter, he or she must have:

- (1) Served as a regularly qualified and commissioned full-time chief magistrate or as the secretary-treasurer for at least eight years;
- (2) Fully complied with this chapter;

- (3) Terminated his or her official capacity as a full-time chief magistrate or as the secretary-treasurer;
- (4) Attained the age of 60 years;
- (5) Filed with the board his or her application for such retirement, on a form to be furnished by the board, within a period of 90 days, or as soon thereafter as possible, after reaching the age of 60 years or after termination of his or her official capacity as a full-time chief magistrate or as the secretary-treasurer, whichever may occur last in point of time; and
- (6) Had his or her application for retirement approved by the board.

47-25-81.

Any member who is approved for retirement benefits as provided in Code Section 47-25-80 shall be paid a monthly sum equal to 4 percent of his or her average final monthly compensation for each year served by the member up to, but not exceeding, a total of 20 years; provided, however, that the final annual compensation used for calculating a benefit under this Code section shall not exceed \$33,772.20; provided, further, that the board of trustees is authorized to adopt from time to time a method or methods of providing for increases in the maximum final monthly compensation used for calculating a benefit as provided in this Code section. Such method or methods shall be based upon:

- (1) The recommendation of the actuary of the board of trustees;
- (2) The maintenance of the actuarial soundness of the fund in accordance with the standards provided in Code Section 47-20-10 or such higher standards as may be adopted by the board; and
- (3) Such other factors as the board deems relevant; provided, however, that any such increase shall be uniform and shall apply equally to all members of this retirement system.

No time for which dues have not been paid in accordance with Code Section 47-25-41 shall be considered in determining the number of years of service.

47-25-82.

- (a) As used in this Code section, the term 'surviving spouse' means the person who was married to a member on the date of the member's death.
- (b) Upon the death of any member who is then receiving retirement benefits and upon the surviving spouse of such member attaining 60 years of age, said spouse shall be paid

spouse's benefits which shall be equal to 50 percent of the retirement benefits then being paid to such member. Such benefits shall be paid for the remainder of the life of such surviving spouse.

(c) Upon the death of any member prior to retirement, the surviving spouse of such member may elect:

(1) To withdraw the dues paid into the retirement fund by the deceased member plus interest at the rate specified by law, in which case the spouse shall be deemed to have waived any right to any benefits; or

(2) To leave such dues in the retirement fund and to receive spouse's benefits which shall be payable beginning:

(A) On the date of the member's death, if such member is 60 years of age or older; or

(B) On the date on which the surviving spouse of the deceased member reaches 60 years of age,

whichever event occurs last, and which shall be equal to 50 percent of the retirement benefits which the deceased member was drawing at the time of death or, in the case of a member who dies prior to his or her sixtieth birthday, which such deceased member would have been entitled to receive upon reaching 60 years of age had he or she lived and ceased service as a full-time chief magistrate or the secretary-treasurer on the date of his or her death.

(d) A member who is unmarried at the time of such election may designate a survivor at the time of making such election. If a member is married at the time of such election, the member may elect a designated survivor other than his or her spouse under this subsection only with the written agreement of the spouse. In any event, the designated survivor shall be a person with whom the member has a familial relationship through blood, marriage, or adoption. The designated survivor designated pursuant to this subsection shall be entitled to a survivor's benefit which is the actuarial equivalent to a surviving spouse's benefit as provided in subsection (b) of this Code section.

47-25-83.

(a) Any member, after ceasing to serve as a full-time chief magistrate or as the secretary-treasurer and after waiving any right to retirement benefits in writing on a form to be provided by the board, may apply for and be refunded all dues paid, together with 5 percent simple interest per annum from the end of the calendar year in which paid to the end of the calendar year next preceding the application for the refund.

(b) Although retirement pay shall be based on Code Section 47-25-81 and nothing in this Code section shall be construed to alter same, at the effective date of retirement, simple interest at a rate of 5 percent per annum shall be computed on all dues paid from the end of the calendar year in which paid to the end of the calendar year immediately preceding the date of retirement and shall be added to the total dues paid. After all retirement benefits coming due under Code Section 47-25-81 have been paid and if the total thereof shall not be equal to or exceed the above total of dues and interest, then the balance of such principal and interest shall be paid to the estate of the deceased member.

(c) Upon application by the estate of any member who dies prior to retirement and who does not have a surviving spouse who is eligible for benefits under Code Section 47-25-82, all dues paid by such deceased member, together with 5 percent simple interest per annum from the end of the calendar year in which paid to the end of the calendar year next preceding the application for the refund, shall be paid to the estate of the deceased member.

(d) No dues may be refunded except in strict compliance with this Code section.

47-25-84.

Notwithstanding any other provisions of this chapter to the contrary, a member may retire after completing four years of creditable service if he or she becomes totally and permanently disabled after commencing service as a full-time chief magistrate or as the secretary-treasurer. Any such member shall be entitled to receive retirement benefits in the amount that he or she would receive if his or her retirement were effective at the time he or she became disabled. All questions relating to the degree and nature of the total and permanent disability suffered by the member shall be determined by the board.

47-25-85.

Nothing contained in this chapter shall be construed so as to prevent any person who is a member of the fund from belonging to any other retirement, annuity, or benefit system.

47-25-86.

(a) If a retired member becomes employed as a full-time or part-time magistrate or chief magistrate, his or her retirement benefits shall be suspended during the period of time he or she holds such position, and upon cessation of such service, his or her prior retirement allowance shall be resumed.

(b) If a retired member becomes employed as a full-time chief magistrate, he or she may elect again to become a contributing member of the retirement system and be governed by the retirement provisions of this chapter.

## ARTICLE 6

47-25-100.

If the board determines that the funds derived from the sources provided for in this chapter are not actuarially sufficient at any time to enable the board to pay in full each person determined to be entitled to the benefits provided for, plus all contingent and other liabilities, then a prorated percentage of such payments shall be made to each person entitled thereto until the funds shall be replenished actuarially sufficient to enable the board to resume such payments in accordance with the terms of this chapter. In no event shall the board or any member thereof be liable to any person for any deficiency in payments made under this Code section.

47-25-101.

None of the funds provided for in this chapter shall be subject to attachment, garnishment, or judgment rendered against the person entitled to receive the same. Such funds shall not be assignable."

### SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.
